Opening Day 2010

It was an exciting Opening Day Tournament with beautiful weather to go along with it. In the First Flight we had a 3 team playoff between Dan Kaminsky-Curtis Hicks, Aaron Welles-Chris Welles and T Thompson-Pete Aquilio. The drama began on hole 1 where all three teams started but only one team would prevail. The team of Kaminsky and Hicks birdied the first to end it quickly and painlessly. However the playoff would continue for second place and the teams would head to hole 2. Pete Aquilio drained a 15 footer to extend the playoff to the third. Aaron Welles then topped with a 30 footer on hole 3 for birdie to send it to hole 4. Hole 4 was tied with routine pars. On hole 5 the teams then seemed to be getting fatigued. The team of Welles and Welles would hit the green while Aquilio and Thompson would have to chip there way on. Welles and Welles made a routine par leaving Aquilio and Thompson to make a 15 footer to extend the match but both putts barely missed and that's where it would end.

In the Second Flight it was the teams of Pat Persun -Jimmy Heyer and Tim Adams - Rich Lejedal tied with 74's. Both teams decided to split 1st and 2nd earnings. In the Third Flight it was the team of Ed Astore -Dave Parsons winning on a match of cards with a 77. In second were Dave Madden and Jim Brown with a 79 respectively.

In the Ladies Flight it was the team of Linda Messner and Carol Watkins firing a solid 77 to take home the honors. On other notes there were 5 skins in the Ladies Flight. The team of Messner and Watkins had (3) Birdies on Holes (1,8,14). The team of Cynthia Aeppli and Jan Benton had (2) skins, a birdie on #2 and a birdie on #12. For the Men it was the team of Welles and Welles with a birdie on #3 and Kaminsky and Hicks with a birdie on #11 and an eagle on #15.

I'd like to thank everyone who participated in the 2010 Opening Day. It was an enjoyable time with great people awesome food and unbelievable weather.
